Description:

An expression of tropical fruit on the nose - litchis and passionfruit, with notes of ripe figs and capsicum. Great concentration of tropical fruit and grassiness and peppers on the palate. A crisp, lively acidity and persistent but elegant finish.

Jancis Robinson:

Published : 20-Feb-2009. Metallic nose. A bit sweet and raw – not mellow and harmonious.

Wine Spectator:

Issue: Apr 30, 2007. Herbal, with tangy grass and asparagus flavors backed by citrusy acidity. Good, but you have to like the style. Drink now. 9,000 cases made. –JM.
